### **Fiona Mangan – NSW CFA**

Animals have always been important in my life. After growing up with the company of whippets, greyhounds and a succession of cats of varying descriptions, I became interested in cats in a serious way after forming a liaison with my first Abyssinians, a tawny and a silver, in 1989. Initially, it was just an involvement in showing cats. Breeding them soon followed, specialising in Silver Abyssinians under the Nivalis prefix. Today, we have a multi-cat household, each of them allotted time according to their need to love and be loved. All cats are special and each is unique, regardless of their ancestry.

I am a member of several cat clubs and have, for many years, been actively involved with the Abyssinian Cat Club of Australasia serving in roles including President, Secretary, Treasurer and Show Manager. Since 1998 I have been active as

a steward, enjoying assignments in all groups. In 2003, I qualified as a Companion Exhibit Judge.

My pedigreed judging experience began with Group 3 (full licence 2010), followed by Group 2 in 2013, attaining my Shorthaired Judge's licence. I completed my Longhaired licence (Group 1) and was granted full licence as an All Breeds Judge, in November 2016.

Currently residing in the Hunter Valley Wine Country region of NSW, I enjoy observing and learning about our local wildlife. Apart from my strong interest in all things feline, other interests include zoology, reading, embroidery, quilting and music.

### **Jenny Weekes – Cats NSW**

I have owned cats my entire life, starting with farm cats as a child. I purchased my first pet Birman in 1990 and my first breeding Birman in 1994. With my husband Greg we have bred Birmans in Canberra, Townsville, Wellington (NZ) on the Gold Coast and now at Murrumbateman.

My first prefix – Kachin was granted in Canberra in 1994 and my current prefix – Sunsoar was granted in 1997. We have achieved many major awards at specialist and All Breed shows including Birman Cat Fanciers Qld. Best Female Kitten 2008 and 2010 and Supreme Exhibit 2010 and 2012.

On the Gold Coast in 2006 I was able to commence training to become a judge and gained my Companion Cat licence in 2007 with QFA, followed by a Group 1 (Longhair) licence in 2009.

I became an All Breeds Judge in 2014.

While living in New Zealand I developed the quarterly magazine, Flash Cats which I continued to edit for several years after returning to Australia.

Prior to moving to Murrumbateman, I held various positions including the Secretary of QFA Inc., Secretary of the Birman Cat Fanciers of Qld Club and President of the Gold Coast Cat Club. Greg and I are enjoying our life in Murrumbateman and share our home with our Birman and our new pets, two Alpacas Cherokee and Warlock. Aside from my cat related activities I enjoy patchwork quilting, web site development, travelling and spending time with the grandchildren.

### **Christine Tomlinson – NSW CFA**

I have always had a love affair with cats for as long as I can remember and would always befriend any cat I came across. I got my first pedigree cat in 1977 and started to show in 1978. He was a red point Siamese and this was the beginning of my involvement in the cat world.

Together with my husband Ray, an All Breeds Judge, we breed and show both Siamese and British shorthair under the Tomadah Prefix. We specialise in red, cream and tortie point Siamese which have taken out many Best In Show and Group 2 Cat of the Year Awards. We live in Griffith in the heart of the Murrumbidgee Irrigation Area and in 1982, with the help of others, were instrumental in the founding of the MIA Cat Club. For various periods over the years since then I have held the positions of President, Vice President, Secretary, Treasurer and Publicity Officer of the Club.

I am an experienced Steward and completed the Companion Cat Judges Training Course in 1997 and since then have judged at many shows. I successfully completed the Group 2 Judges Training Course in 2001, obtaining my full Group 2 Licence on 1 July 2003.

### **Nikki James – NSW CFA**

I come from a family of cat lovers and therefore have always had a cat to curl up on my lap since my childhood. I developed a love for the elegant and talkative Siamese as a teenager, and when I was 15 acquired my first Red Point male, Conan in 1990. I showed him as a member of the RAS Cat Control for 2 years and he sired a few litters with my mother's Seal Point female under her prefix 'Eronel'. I returned to the cat fancy in 2005 showing a beautiful Blue Point female as a member of the NSW CFA. I started my breeding journey with her in late 2005 when she had a wonderful litter of 6 kittens from an Oriental stud under my prefix 'Zoel'. I still have a neuter boy, Zeus from that first litter who enjoyed many years on the show bench. My late mother also enjoyed participating in the cat fancy as a member of the NSW CFA and accompanied me to most shows,

initially showing a black Oriental neuter Romeo; he was also born in my first litter, and later exhibiting some other beautiful show neuters she spoilt over the years. I am proud to have achieved many Top 5 cat of the year awards and have had the honour of breeding a Supreme Exhibit.

I continue to breed Siamese and Orientals and remain active in the cat fancy as an exhibitor and worker. I qualified as a steward in 2007. I have a small cattery and breed my kittens for health, temperament and show quality. Currently my cat family consists of 5 felines.

I have been a member of the Oriental Cat Club of NSW for many years, previously assisting as show manager and serving on the board as club treasurer, a position I still hold.

I attained my probationary shorthaired Judge's license in 2015. I consider myself privileged to admire, handle and judge the show exhibits and I have developed an appreciation of the diversity of exhibits in Group 3.

In my normal life I am a mother to 5 children, with 3 boys still living at home ranging in ages from 17 to 5 years who keep me busy and our cats entertained. I am halfway through studying for a Bachelor degree in Midwifery at UTS. Living and growing up on the Northern Beaches I usually spend most of the summer as a beach bum, reading a good book, when not attending cat shows!

# COVID-SAFE PLAN

## Principles

- To participate in this show, you will need to bring your patience, and you will need to exhibit that patience at all times during the day.
- This is an open show and exhibitors will be allowed in the show hall throughout the day and will be able to watch their exhibit(s) being judged.
- **No general public** will be allowed access to the show hall, however **invited guests may be present**. Invited guests will be required to sign in and follow COVID-Safe principles.
- This show is operating in a completely different environment from all the shows we have ever known. There are new and strict requirements relating to physical distancing for your safety and the safety of all.
- You may find the new processes due to the new requirements frustrating. You will find that you cannot participate in the show the same way that you have in the past. It WILL take longer to set up at the start of the show and to leave at the end of the day. You will not be able to spend the same amount of time grooming and attending to your cat in the show hall as you did in the past.
- If you feel that you cannot work with the procedures listed below, or if you expect that the show is going to run the same way as it did in the past, you should not enter this show. We need your patience and cooperation. Please work with us, provide constructive suggestions if things are not going smoothly, be kind, and be patient.
- The Show Manager reserves the right to ask any exhibitor at any time to leave the show hall with their exhibits, if they are not complying with the procedures, or for any other reason. In this event, the exhibitor's exhibit(s) will be disqualified.

## General

1. **Physical distancing applies at all times** – all participants to maintain 1.5m physical distance at all times. Note: physical distancing does not apply to members of the same household.
2. At times it may not be possible to maintain physical distancing – for example when moving around the show hall or presenting your cat. **In these situations, you are expected to wear a mask.**
3. The 4 square meter rule applies in the show hall – this sets the limit on the number of people allowed in the show hall.
4. This show will not be open to the general public. As well as exhibitors and show personnel, invited guests of exhibitors will be permitted. Invited guests will need to register their details at the front door before entering and are asked to wear a mask when moving around the hall.
5. Each bay in the show hall will be assigned a **Bay Manager**. The Bay Manager will ensure that benching, judging, cat welfare and departure after the show are managed in accordance with show rules and physical distancing requirements.
6. Directions of the Bay Manager must be followed at all times. Any refusal to comply with a direction of a Bay Manager will result in the exhibitor being asked to immediately leave the show hall with their exhibits, and their exhibits being disqualified. This is for your safety, and the safety of all participants.
7. Hand sanitizer and wipes will be available at the show. Exhibitors will be required to use hand sanitizer when entering and leaving the venue.
8. Exhibitors who are unwell on the day of the show are expected to stay home. Exhibits may attend the show with an alternative exhibitor.
9. If COVID-19 restrictions are increased and prevent the show from going ahead, entry fees will be refunded in full.

## Entries

10. Numbers of exhibits and exhibitors will be limited at this show.

11. Exhibitors will need to advise with their entry how many members of their household will be attending the show. The Show Committee reserves the right to limit the number of exhibitors per cat, in order to comply with hall size limits.
12. All participants (exhibitors, judges and workers) will need to confirm their contact details upon entry to the show hall.

#### Arrival, benching and set-up

13. Exhibitors may be allocated staggered times for arrival to the show. If staggered arrival is necessary, benching times will be advised after entries close, once entries have been processed and the floor plan finalized.
14. **Once at the show you will be admitted to bench your exhibit(s) when there is sufficient space in your bay to comply with 1.5m physical distancing. If there is not sufficient room to bench your cat at your allocated arrival time you will be asked to wait in your car until you can be admitted safely.** Exhibitors will be asked to bench their cats as quickly as possible to allow other exhibitors to bench their cats in satisfactory time. As a guide, exhibitors should spend no more than 10 minutes benching their cat (per cat).
15. Exhibitors are encouraged to bring their own cages.
16. As is usual practice in the ACT, vetting will be in cage.
17. There will be no grooming of cats in the show hall. Exhibitors are asked to ensure that their cats are adequately groomed before entry to the show hall. If time permits, exhibitors will be given a short period of time to make final preparations for their cat before judging commences.
18. After benching their cat(s) exhibitors must leave the bay.
19. IF TIME PERMITS, exhibitors will be allowed into the bay to make final preparations for their cat 15 minutes prior to judging. Exhibitors will need to maintain 1.5m from other exhibitors at all times – as a guide, there should be at least one double cage between exhibitors at all times. The Bay Manager will manage this process to ensure that all exhibitors are able to access their exhibits during this time.

#### Judging

20. Judges are required to steward their own cats unless the club assigns a steward undertaking a training assignment. Any such assignment will be agreed in advance with the judge. The steward will be required to wear a mask while stewarding for the judge.
21. The Bay Manager will assist the Judge with any queries relating to the exhibits or judging processes; to provide refreshments such as water and hot beverages; and to provide any other assistance the Judge requires. The Bay Manager may assist, or arrange assistance for, the Judge in the handling of a fractious or otherwise difficult exhibit, or otherwise assist the judge as required.
22. The Bay Manager will undertake any attention to the cats in the bay during the day. This includes placing or removing a litter tray or similar requirement. **Only the Bay Manager and the Judge may be present in the bay throughout the day once benching is complete until departure at the end of the day. This includes when there is no judging occurring in that bay.**
23. At their discretion, the Bay Manager may permit an exhibitor to enter the bay to attend to a cat. This includes cleaning a soiled cat, to place or remove a water bowl in the cage, or to quickly refresh an exhibit between judging rings. If permitted into the bay by the Bay Manager, the exhibitor will be expected to attend to their cat quickly – within minutes.
24. **Exhibitors need to seek approval of the Bay Manager if they wish to enter the bay** for a purpose as above, at any time during the day after benching – this includes while there is no judging in that bay.
25. Consistent with current practice, the Judge may, at their discretion, call exhibitors into the bay to present their cats for their top awards. The judge should call no more than three (3) exhibitors into the bay at any time, and all should ensure that the exhibitors and judge remain 1.5m apart at all times. **Exhibitors are encouraged to wear masks when presenting their cats and when having photographs taken with the judge or show committee**

26. Lunch breaks for Judges and workers will be staggered and all will be required to adhere to 1.5m distancing while seated for lunch.

#### Spectating

27. Exhibitors and invited guests will be permitted to watch judging at the show, noting that exhibitor numbers may be restricted as described in Entries.
28. While watching judging, and at all times in the show venue, exhibitors and invited guests will be required to comply with the 1.5m distancing rule (except for people from the same household).
29. In line with physical distancing requirements, exhibitors and invited guests are requested to be seated while watching judging, rather than standing.
30. Exhibitors will be allocated a seat for the duration of the show.
31. **Masks should be worn** when moving about the show hall. Masks may be removed when seated to watch judging, noting that exhibitors must comply with the 1.5m distancing rule when seated.

#### Refreshments

32. The kitchen will be open for refreshments, however the selection and method of purchase will be restricted. Self-service will not be offered. Payment is requested in exact change where possible. 1.5m distancing must be observed in queuing and when consuming refreshments.
33. Some refreshments, including lunch, will be able to be pre-ordered. Exhibitors are asked to pre-order if possible.

#### End of show and departure

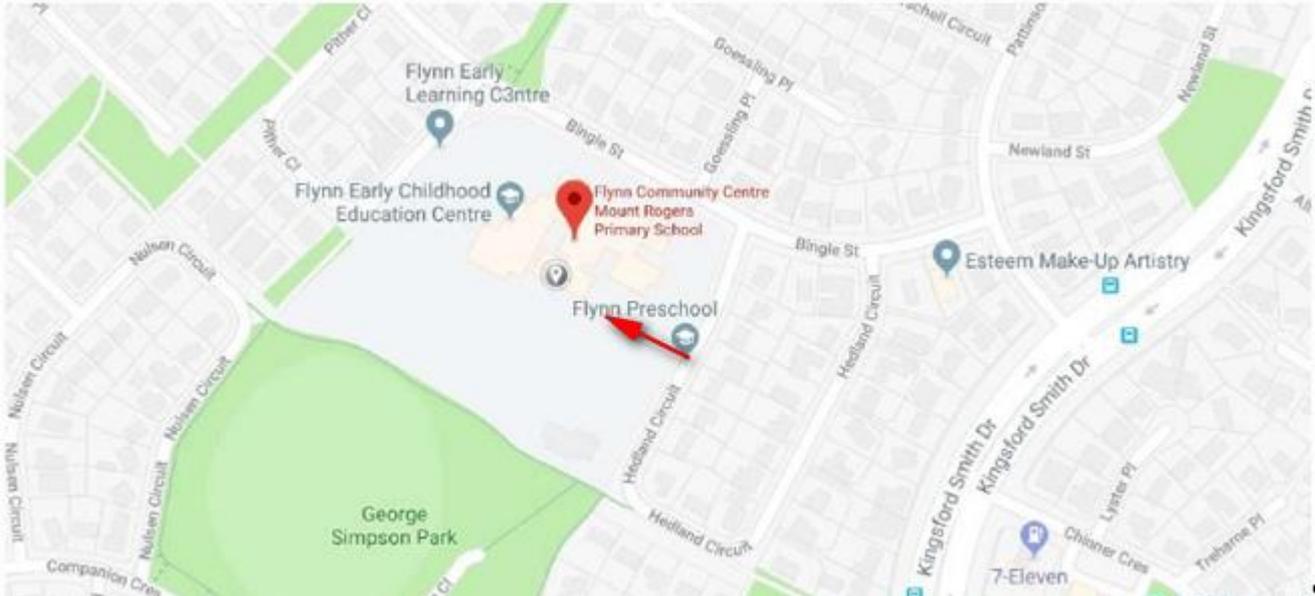

34. Award cards, certificates and any prizes will need to be collected from the Trophy Steward at the trophy desk. Exhibitors will need to present to the desk and remain 1.5m distance from others at all times, including if queuing to collect awards.
35. Awards, especially any prizes, should be placed in the exhibitor's car as soon as possible, to assist with departure at the end of the day.
36. Pack up and departure from the show hall may be staggered. If staggered arrival and departure is necessary, exhibitors will depart in the order they arrived. For example, the exhibitors with the earliest arrival times will have the earliest departure times, and exhibitors with the latest arrival times will have the latest departure times. The Bay Manager will manage exhibitors in their bay and will call in the next round of exhibitors as soon as the previous exhibitor departs the bay.
37. Exhibitors may be permitted to depart the show hall at the completion of judging and prior to best in show presentations with the approval of the Bay Manager. Ordering of exhibitors leaving prior to presentations will follow the allocated departure procedure and will be at the sole discretion of the Bay Manager.
