President's welcome

Welcome to the second show of the new Canberra Forest Cats Club Inc. We are a small all breeds club, but with a strong interest in the Forest Cat breeds – the Maine Coon, the Norwegian Forest Cat and the Siberian.

There has been fabulous support by exhibitors this year – we have nearly doubled our entry from last year. A sincere thank you to everyone who has entered. Your support means that our club is able to continue to build, and hopefully continue to build a great experience for you as exhibitors.

We would like to extend a very special thank you to our sponsors, particularly our main sponsor – Oz-Pet Litter. Also thanks to those who made donations to our show, including our rosette sponsors. We hope that you enjoy the product that is on offer from Oz-Pet, and take advantage of their wonderful products.

Another special thank you to our vet for today – Hamish Cameron BVSc (Hons) from West Queanbeyan Veterinary Hospital. Hamish returns again this year, and it is great he has been able to make it back. Hamish provides veterinary services to a number of our members and is well known in the Queanbeyan and Canberra region for excellence in veterinary services.

Once again, our Committee would really appreciate any feedback you have to offer on our show, especially ways to improve it, and make it better next year.

Tracy Stewart,
on behalf of the Canberra Forest Cats Club committee.

JUDGES PROFILES

RING 1

Denise Spurrell – FCCV

Since childhood I have always owned and cared for cats and in 1979 cat fancy became a consuming interest when I purchased my first Burmese. This first Burmese, Catani Manikato, became a top show and stud cat taking out Best of Breed at Royal Melbourne Show three years running. As a matter of course, my interest in Burmese involved me in the Burmese Cat Society for which I served as Secretary during the early eighties. In the late 80's with my interest in cats broadening, I applied to become a judge and on the completion of three years of study, I qualified as Shorthair (Group 3) Judge in 1990. An essential pre-cursor to acceptance as trainee judge, one must have more than one breed in the cattery – this was my introduction to the wonderful world of Rex. This unique breed with its origins in the British Isles has proved to be of

increasing favour with cat fanciers Australia wide, myself no exception with a particular interest in Devon Rex.

In 2004 I completed the Group 2 Judging training course. This has opened another interesting chapter in my lifelong association with the F.C.C., and allows me to enter the wonderful and exciting world of the Siamese and Oriental Breeds. I have enjoyed judging at The Royal Melbourne Show, the F.C.C. Open, several rural Victorian Shows and many interstate events. My involvement with the Feline Control Council of Victoria spans twenty interesting years.

RING 2

Sharon Hodge – NSW CFA

I have been involved in the cat fancy since approximately 1986. During that time my husband and I have bred and shown Persians and Exotics (solids, colourpoints and bi-colours). During this period of time we were regular exhibitors at shows, except for a period of time where I took a brief hiatus to study law. We both feel blessed that we were able to enjoy some success on the show bench with our breeding. With my husband and children I have donated time working at and supporting cat shows in a variety ways. Not only have I had the joy sharing my life and home with Persians and Exotics but currently enjoy the pleasure of the company of a Siberian and a Bengal.

I have held a number of positions in cat clubs over the years and I presently hold the position of President of the Longhair Cat Association of NSW. In 2008 I attained my Group 1 Licence and in March 2015 I was granted was granted Group 1 Tutor Judge status. In March 2017 I attained the status of All Breeds Judge.

RING 3

Margaret Sim – NSW CFA

I have always had cats, firstly moggies then my father bred Seal Point Siamese. I met a pair of Burmese in the early 1970's and fell in total love with them, especially the Blue Burmese. When I settled down in Sydney I went in search of a Blue Burmese and ended up with a Lilac and Chocolate – they converted my partner Don to cats and in particular Burmese. He in turn converted me to Labrador Retrievers. We moved out of the city to Moss Vale – we had space and time so I commenced breeding and showing in 1987 under the prefix Bima. I breed all colours of Burmese and love them all – my favourites are blue, red and blue tortie.

This led to stewarding which gave me a love of many other breeds and in 1994 I commenced a judging course. I completed Group 2 in 1996, Group 3 in 1998 and in 2009 completed Group 1. I have judged in most states of Australia as well as in New Zealand. I have been involved in clubs – club secretary, committee member and am currently President of the Burmese Cat Society of Australasia. I have experience as show manager as well as working in card rooms and trophies, also lots of experience setting up and pulling down shows.

Major awards (except Top 5 Exhibits in each ring) will be awarded as follows:

- i Top 10 Exhibits in each ring will be awarded by the judge;
- ii Major awards will be decided by points allocation based on the placings of each cat in the judges' Top 10 Exhibits in each ring, with 10 points for Best through to 1 point for tenth.

A cat does not need to have placed first in a judge's top 10 Exhibits in order to qualify for one of these awards, including Supreme Exhibit in Show.
